## The Man at the AMOCO Mike

**C**ONTINUING to set an all-time high for consistency of performance, The American Oil Co., maker of AMOCO products, will again give Redskins fans on-the-scene, play-by-play coverage over a vast AM and FM radio network and on TV wherever possible.

This is the 13th consecutive year for the AMOCO-Redskins association and no other major sportscast has enjoyed such uninterrupted longevity.

At the AMOCO mike again this year is Jim Gibbons, whose crisp, friendly voice has been part of this show for 12 of its 13 seasons. Gibbons is in close, personal touch with the players and coaches at all times and is well-known throughout the National Football League.

Born in Greeley, Neb., Gibbons attended Creighton and Omaha Universities. In 1940, he came to Washington to enter Government service. Two years later, he ventured into radio and immediately began to climb to the unprecedented popularity he now enjoys in the metropolitan area of the Nation's Capital.

Gibbons is in such demand by sponsors and listeners that he averages about four hours daily on radio and TV, plus many other special events. He also is play-by-play man for the University of Maryland's football broadcasts.

He is married and the father of six children and lives in suburban Washington.

*HAIL TO THE REDSKINS, Hail Vic-to-ry,  
Braves on the war-path, Fight for old D. C.  
Scalp 'em, Swamp 'em, We will take 'em big score.  
Read 'em, weep 'em, Touch-down we want heap more.  
Fight on. Fight on till you have won.  
Sons of Wash-ing-ton (Rah! Rah! Rah!)  
HAIL TO THE REDSKINS, Hail Vic-to-ry.

## Charities Net \$1,550,000

IN NON-CONFERENCE games sponsored by newspapers and civic organizations, the Redskins have assisted in raising more than \$1,550,000 for various charities. This does not include sums realized this year.

The outstanding contribution has been in Los Angeles where the annual game sponsored by The Los Angeles Times has netted almost \$800,000 for The Times' Boys Club.

A similar series in Baltimore, sponsored by the Variety Clubs of Washington and Baltimore, netted \$125,000 for Boys Club activities.

During World War II, two Redskins games collected almost \$125,000 for service relief funds. Charities have shared in receipts of other games played in Denver, Birmingham, Dallas, Oklahoma City, Chicago, Memphis, San Francisco, Buffalo, Columbia and other cities.

## Half-Time Showtime—1955

**A** NIMAL acts . . . symphony orchestra . . . Santa Claus . . . cowboys and Indians . . . souvenir footballs. Take your pick—and you will find it in midfield at half-time of a Redskins game in the Nation's Capital this Autumn.

The Redskins have maintained a proud record of presenting the best in half-time shows to fans. Some of the brightest names in show business have performed on the gridiron stage at Griffith Stadium.

Once again heading the half-time show-time is the National Symphony Orchestra, which will present a symphonic concert from mid-field between halves of the second game of the season—October 16. This will be the second such appearance of the "Orchestra of the Presidents" which established an all-time "first" in entertainment last year when it appeared at the Redskins opening game and thus became the first symphony orchestra ever to play at a football game.

(Continued on Page 14)

Santa Claus arrives by Train at a Christmas Half-Time Show

The symphony, now entering its 25th year, is under the direction of Dr. Howard Mitchell, an American-born, American-trained musician who represents the new age of American leaders in American music. Dr. Mitchell, who rose from the ranks to full conductorship, was born in Iowa and studied in Baltimore's Peabody Conservatory and Philadelphia's Curtis Institute.

Under his leadership, the National Symphony has grown to be one of the Nation's most progressive symphonic organizations. Acceptance of the challenge to stake an annual concert on a football field is just another example of Dr. Mitchell's progressiveness.

Naturally, at all of the Redskins home games, the famed Tepee Band and the Redskins Marching Band will continue to play integral parts in the entertainment.

The stalwart volunteers of the marching band—undefeated and untied since they banded together in 1938—will not be awed by the competition offered by the National Symphony. They have played and drawn plaudits alongside the Philadelphia Philharmonic, Paul Whiteman and Fred Waring. They have marched up Broadway at the head of 15,000 invading fans. They have represented the Nation's Capital in the big annual Lions' Club parade up Fifth Avenue in New York. And they have traveled with the team to many other cities—such as Cleveland (for the World Championship Game), Philadelphia, Norfolk, Pittsburgh, Columbia, S.C., and Baltimore.

The marching band is composed of amateur musicians of all ages and occupations—mechanics, painters, plumbers, salesmen, students, engineers, bookbinders, and so forth.

## National Football League Champions, Records and Statistics

**H**ERE are the recognized official all-time professional football records (individual and team) and the annual National Football League champion in each department of the game—passing, running, receiving, kicking, scoring. The individual record performances date back to the very beginning of the league, 36 seasons ago; the departmental leader listings date back to 1937, the year that the Redskins entered the National League—and the year that the NFL actually began to come of age. The league is in its 36th season but official statistics were not compiled in the earlier years and so, perhaps, some great gridiron feat is lost in the dusty past but, by and large, these figures are the true records.

### SYMBOL DESIGNATIONS

- \* League Record.
- ‡ League Record for more than 250 attempts.

## Gridiron Glossary

Football is America's fastest growing sport, thanks mainly to the great interest engendered by our high school and college elevens. Each day, through TV and radio, tens of thousands of new fans are created. It is to these new followers that this dictionary of football terms is offered so that they may better enjoy the AMOCO-Redskins telecasts and broadcasts:

**Backfield in Motion:** Offense can have one back moving backwards or laterally as ball is put in play. More than one is illegal. See page 56.

**Blocker:** Player who helps pave way for ball carrier.

**Bucking the Line:** Runner takes ball and drives straight into scrimmage line.

**Button Hook:** Quick, short pass to receiver who spins (hooks) to face passer.

**Charged Time Out:** Each team can ask suspension of play three times during each half without penalty. Such time outs last one minute and thirty seconds. Exceptions: (a) Injured player allowed two minutes; (b) Three minutes allowed for repair of equipment; if player not ready then, he must withdraw. Penalty for excessive time outs: Five yards.

**Conversion:** Successful extra point after touchdown. See "Extra Point".

**Cut-back:** Ball carrier starts to run wide, but changes direction abruptly and at sharp angle.

**Defense:** Team without ball.

**Delaying Game:** After referee places ball on scrimmage line, offense must put it in play within 30 seconds or be penalized. See page 56.

**Downs the Ball:** Two meanings: (a) Referee "downs the ball" at point of furthest progress in his estimation; (b) member of kicking team "downs" the kick by touching ball before member of receiving team—ball dead at that spot.

**Draw Play:** Quarterback fakes to pass, fullback comes up in half crouch as if to block and takes ball in stomach. Enemy linemen rush past him and he takes off through gap they've left.

**End Zone:** Area 10 yards deep behind goal posts at each end of field.

**Extra Point:** After touchdown, team is allowed try for extra point. Usually place kicked, but running or passing with ball is allowed.

**Fades:** Passer retreats with ball to allow receivers to outmaneuver defenders.

**Fair Catch:** Unhindered catch of kick by player who holds up one hand high to signal intent not to try to advance ball.

**Fake:** Quarterback pretends to give ball to player who pretends he has it.

**Field Goal:** Place kick (other than kickoff) between upright and over cross bar of goal. Three points.

**First Down:** Offense allowed 4 downs to advance ball 10 yards. First of this series of downs is called "first down". When team negotiates necessary yardage within required 4 downs, it is then said to have made "a first down".

**Flanker:** Player who lines up somewhat apart from team.

**Flat Pass:** Immediately to left or right of scrimmage line is "the flat". Pass thrown into either area is "flat pass".

Page Fifty-seven

**Free Kick:** Kicking team players are behind ball when kicked. Rule gives them equal rights to recover ball same as receiving team if kick travels 10 or more yards. A kick-off is a free kick.

**Full Back Delay:** Another name for "Draw Play".

**Hand Off:** Act of handing ball to another—as when T formation quarterback gives ball to another back.

**Hook Pass:** See "Button Hook".

**Huddle:** Offensive team gathers to get signal from quarterback.

**Ineligible Receiver:** Only ends and backs may receive forward passes. Any other player is "Ineligible Receiver".

**Interception:** When defending player catches forward pass.

**Interference:** Two meanings, (a) blockers in front of ball carrier; (b) illegal defense against forward pass. See page 56.

**Late Divide:** Another name for "Draw Play" and "Fullback Delay".

**Lateral Pass:** Pass thrown backwards or to side.

**Line Backer:** Defensive player who stands close behind scrimmage line.

**Line Buck:** Ball carrier drives straight ahead into scrimmage line.

**Line of Scrimmage:** Where teams line up for play.

**Man-in-Motion:** See "Backfield in Motion".

**Mouse Trap:** Defensive lineman is allowed to get across line of scrimmage and then is hit by surprise from side.

**Naked Reverse:** A reverse without interference. See "Reverse".

**Offense:** Team with ball.

**Officials' Time Out:** Interval during which referee has stopped clock, but is not charged against either team.

**On the Flank:** Player stationed wide left or right of scrimmage line is "on the flank".

**On-Side Kick:** Kickoff is "On-Side" because players on kicking team are behind ball when kicked. See "Free Kick".

**Penalty Refused:** Team can refuse penalty against other team to let play stand as it was.

**Pitch-Out:** Under-handed toss backwards usually by T formation quarterback.

**Place Kick, Placement:** Ball is held on ground by one player and kicked by another. See "Extra Point" and "Field Goal".

**Playing The Wing:** Defensive halfback posted at either end of scrimmage line is "Playing The Wing".

**Punter:** Kicker who drops ball and kicks it before it touches ground.

**Quick Opener:** Ball carrier hits line straight ahead—fast.

**Receiver:** Catcher of pass; also used for catcher of kick.

**Red-Dog:** Line backer takes calculated risk to leave his defensive area and make surprise rush at passer; also called "Shooting the Gap" because offense may not have provided blocker to impede him thereby leaving a gap.

**Reverse:** Back starts to one side with ball and hands it as secretly as possible to another player going in opposite direction.

**Reversing the Field:** Ball carrier hemmed in by defense suddenly changes direction.

Page Fifty-eight

run interference for ball carrier.

**Rushing the Passer:** Defensive ends and linemen battle through to get at passer.

**Safety:** When team kicks or knocks ball or carries ball into its own end zone and other team tackles ball carrier; also if team allows ball to go beyond its own end zone when it has provided the impetus.

**Safetyman:** Defensive player furthest from scrimmage line. Safetyman catches kicks.

**Screen Pass:** Offensive linemen pull out of position when ball is snapped and, disregarding on-rushing defensive players form line over to one side and passer throws to back who runs behind their wall of interference.

**Scrimmage Line:** See "Line of Scrimmage".

**Shot the Gap:** See "Red Dog".

**Split Line:** Noticeable spacing of offensive line—basic principle of split T formation. See page 60.

**Spread:** Offensive players line up widely spaced. See page 60.

**Statue of Liberty:** Passer or kicker fakes performance as another back runs behind and takes ball.

**Sticks, Yard Sticks:** The measuring instruments for first downs.

**Sweep:** Ball carrier runs wide around scrimmage line.

**Time Out:** See "Charged Time Out" and "Officials' Time Out".

**Touchback:** Thrown or kicked ball into end zone and captured by defense.

**Trap:** See "Mouse Trap".

**Wedge:** V-shaped group of blockers on kickoff.
